

FOR IMMEDIATE RELEASE:

PURPLE FOR PARENTS OF INDIANA OFFICIALLY JOINS THE JOHN BIRCH SOCIETY AS A CORPORATE MEMBER EFFECTIVE

Nappanee, IN – (January 11, 2024)

Purple for Parents of Indiana is pleased to announce a corporate membership with The John Birch Society and will be drawing upon their decades of research and library volume as Purple for Parents of Indiana launches into the next phase of educational outreach across Indiana.

Many Hoosiers know that Purple for Parents of Indiana has been at the forefront of the battle to protect our children against both the Communist indoctrination as well as the Kinsey /CIA/Rockefeller based sexual perversion. Hoosiers have come to expect and rely on the research and expertise of Purple for Parents of Indiana in exposing the level of degradation that has taken place in our communities, schools and institutions.

As Purple for Parents of Indiana prepares to launch into the next phase of the cultural war for our state and nation, we will be expanding our base into the greater conspiracy that has plagued our nation for decades. P4P will work to expose the organizations and people behind the take down of our society, targeting of our children and the war on our families all while informing the citizens of Indiana about the infrastructure put into place by the Deep State.

We cannot fight that which we do not know and in keeping with The John Birch Society motto— *Less Government – More Responsibility – And With The Lord's Help, A Better World*, you will become more enlightened as to the forces at play.
